Kitchen Volunteer Help Needed!

Anyone who would be willing to help in the Clubhouse Kitchen anytime during the snowmobile season, please let us know when you will be able to help. We need this information as soon as possible so that we can make up our schedule for work details. In the past, it has been up to the local members to do the kitchen duties. We have a lot of out-of-towners that we know would like to help, but we need to know when you will be in town. This would be a great help and let some of our local members enjoy weekends of riding also! Circle which weekends that would work for your schedule and we'll get them on our schedule. For questions, please call: Scott (President) at (570) 971-3775 or John at (814) 203-1638. We plan to have the clubhouse open when there is ride-able snow: Saturdays 8:00am - 3:00pm and Sundays 8:00am - 2:00pm. Volunteers would need to arrive at 7am to get the kitchen work started.

Please indicate when you would be available to volunteer on the spaces below:

We hope to see you at the club this year!!!
